Expand your dining choices to include purchases at any campus retail location. Our new **Declining Balance** program allows you or family members to add funds to your account so you can grab a bite to eat by just swiping your ID card.

Follow these **three easy steps** to add funds to your **Declining Balance**.

- 1** **Go to:** go.middlebury.edu/dining
- 2** **Click on:** Meal Plan account center
- 3** **Enter** your Middlebury user name and password.

Now, all you need to carry with you is your student ID to pay at each retail location!

Snap a picture of this and **send to your families**—makes a great gift (wink, wink)!
