GLUTEN SENSITIVITIES MENU

We have created this dedicated menu for our gluten sensitive customers. Both our Gluten Sensitivities Menu and our regular menu are available every day. As we are taking the greatest efforts to provide you with a gluten free meal, please note CRI has many wheat products in our facilities & there is a potential of cross contamination in our shared cooking & preparation areas. Therefore, we cannot absolutely guarantee the food you receive is completely gluten free. So we can better serve you, please inform your server regarding any gluten or food allergy you may have.
