For a wedding reception, birthday party or anniversary, our patios become beautiful spaces for a cocktail hour while the main room is set-up for a seated dinner. Or for a wedding ceremony our private room becomes a bride's dressing area for a seated ceremony to take place in the main space. If you are planning an intimate dinner for 20-30 guests our private room with floor to ceiling views of North Toronto is an ideal location. The private room is also outfitted with a flat-screen TV to display personal photos or videos during your event.
