Vin Room Brews – Draught Selection (Available at West Location Only)

Cabin Brewing Company is a craft brewery based in Calgary, Alberta known for its approachable, flavour-forward beers and laid-back, community-focused vibe. They produce a wide range of styles, especially juicy hazy IPAs, crisp lagers, and easy-drinking seasonal beers. Their branding and beers are designed to feel fresh, modern, and highly drinkable while still showcasing bold hop and fruit character where appropriate.

Everyday Lager, (4.8%, 16oz) 9
A crisp, clean, and refreshing lager with light notes of fresh bread, cracker malt, and subtle floral hops. It has a smooth, dry finish with balanced bitterness, making it an easy-drinking beer that's perfect for any occasion.

Luminosity Pilsner, (4.8%, 16oz) 9
A bright, crisp pilsner with delicate notes of fresh grain, floral and herbal hops, and a clean, refreshing finish. Its light body, balanced bitterness, and lively carbonation make it an easy-drinking beer with classic European-inspired character.

Summer Saturation Tropical Hazy Pale Ale, Calgary, Alberta (5%, 16oz) 11
A juicy, hazy pale ale brewed with guava, mango, and pineapple, delivering vibrant tropical fruit flavours and aromas. It has a soft, pillowy mouthfeel with low bitterness and a refreshing finish, making it an easy-drinking summer beer.

Super Saturation NEIPA (6.5%, 16oz) 10
A hop-forward hazy pale ale that leans heavily on citrus and tropical hop character like mango, peach, and orange from varieties such as Citra, Mosaic, and Simcoe. It's more "classic NEIPA" in profile, with the fruit character coming mainly from hops rather than added fruit.

Hyper Pop Hazy IPA (6.5%, 16oz) 11
A hazy, aromatic IPA bursting with tropical fruit character like pineapple, mango, peach, and citrus with a soft, juicy mouthfeel. It has low bitterness, a smooth finish, and a candy-like hop aroma that lingers with notes of fruit nectar and citrus zest.

Sunshine West Coast IPA, Calgary, Alberta (5%, 16oz) 11
Soft citrus notes (like lemon and orange peel), light bready malt character, and a smooth, slightly creamy mouthfeel from the wheat, finishing crisp and clean. It's lower bitterness and very approachable, designed more for refreshment than bold hop flavour.

By The Taste – White Wine

Radiant, Lively, and Fresh

These wines often display freshly picked fruit notes mingled with bracing minerality. What keeps these wines 'lively' is the high acidity that brings the fruit to the forefront. It's all about liveliness on the palate, often creating a light bodied and classically approachable wine. Hints of savoriness may accompany the fruit, depending on the region and terroir.

2024 Protea, **Pinot Grigio**, Western Cape, South Africa	4.25	12.5	26	52.
2025 Mount Riley, **Sauvignon Blanc**, Marlborough, New Zealand	4.75	14	29	58.
2024 Weszeli, **Grüner Veltliner**, Kamptal, Austria	5.25	15.50	32.5	65.

Aromatic, Mineral, and Exotic

Minerality is what drives this category. Think notes of flint, chalk, and wet stones. All these wines have an exotic edge and generous texture. Exotic fruits, earthy elements, and supple orchard fruits, sometimes combined with a hint of oak. The usual suspects in this category are mainly unique or under-appreciated varietals. These wines can range from light to full bodied.

2024 Bernard Defaix, **Chardonnay**, Chablis, France	8.75	26.5	55	110.
2024 Maison Saint Aix, Rosé, **Grenache/Syrah**, Coteaux d'Aix-en-Provence, FR	6.25	18.75	39	78.

Sweet, Elegant, and Provocative

This category encompasses wines from all over the world that have one thing in common: residual sugar that is present on the palate. These wines almost always show some type of density in the body with no visible oak treatment. Acidity seems lower, but don't be fooled, the high acidity is there but balanced out by the sugar levels. These wines are light to medium bodied and display fruit-forward characteristics.

2024 Gray Monk Estate Winery, **Gewurztraminer**, Okanagan Valley, Canada	4.75	14.25	29.5	59.
2023 Weingut Köster-Wolf, **Riesling**, Rheinhessen, Germany	5.25	15.75	32.5	65.

Rich, Creamy, and Luxurious

Medium to full bodied whites, that also display creamy notes and textures across-the-board. Think of toasted oak, brioche, vanilla, baking spices, and rich, full-fat dairy. Barrel aging can greatly influence a wine's structure, body, and flavor profile, with oak softening the natural acidity. These wines often display luscious textures and are generous in the mouthfeel. Chardonnay has a particular affinity with oak, but other naturally full-bodied wines are also included in this category. When present, fruit is often on the tropical side, with hints of citrus.

2019 Broadside, **Chardonnay**, Central Coast, United States	5.75	17.25	36	72.
2022 Ruby Blues Winery, **Viognier**, Naramata Bench, Canada	7.75	23.25	48.5	97.

By The Taste – Red Wine

Bright, Lively, and Lean

This category primarily shows wines that display fresh red, blue, and black fruits. High acidity makes these light to medium bodied wines feel fresh on the palate. Lively in the mouth and on the nose, these reds are all about vivacity and are often accompanied by a softer tannin structure. Bright berry fruit balances out earthy notes, with savory notes showing for some varietals. These wines may benefit from some chilling to accentuate the fruit.

2024 Jean-Marc Burgaud, 'Beaujolais Lantignié', **Gamay,** Beaujolais, France	6	18	37.5	75.
2023 Vignerons de Buxy, **Pinot Noir**, Côte Chalonnaise, France	5.5	16.5	34.5	69.

Earthy, Vibrant, and Structured

These are wines that have their fruit centered around earthy aromas and flavors, with secondary notes of smoke, dried leaves, tar, leather, meat, and/or barnyard. Medium to full bodied, with finer natural tannins added by wood aging which can often also add extra weight to the wine. Chewy, rich, and deep are often words used to describe these gems.

2022 Black Sage Vineyards, **Merlot**, Okanagan Valley, Canada	6	18	37.5	75.
2023 Bodegas Felix Callejo, 'Flores Callejo', **Tempranillo**, Ribera del Duero, Spain	5.5	16.5	35	70.

Satiny, Round, and Lush

*When we refer to wine as being 'round' we refer to how the wine is perceived on the palate. We are describing the texture - how the wine passes over the palate and how it holds in the mouth. These reds are silky, velvety, even **creamy,** dominated by well-balanced tannins and acidity. Lush textures with a richness of fruit that displays an evenness on the palate.*

2021 Domaine Vallot, 'Le Coriançon', **Grenache/Syrah/Mourvèdre**, Rhône, FR	5.5	16.5	35	70.
2021 Fossil Point, **Cabernet Sauvignon**, Paso Robles, United States	6.50	19.25	40	80.

Juicy, Fruity, and Playful

Easy-drinking reds that display a dominance of fruit on the palate. Light to medium bodied. Wines that are neither tannic nor too acidic. Softer tannin structure means you can also chill these offerings, coaxing out the fruit elements even more. Fruit is mostly blue, black, and red, displaying a fresh jamminess. Very vibrant on the palate. No thoughts necessary for these ones - just enjoy a glass or two.

2022 Carrascal, **Malbec,** Mendoza, Argentina	4.75	14.5	30	60.
2024 G.D Vajra, 'Rosso', **Barbera/Nebbiolo/Dolcetto**, Piedmont, Italy	6	18	37.5	75.

Bold, Spicy, and Robust

Just big wines. In every sense of the word. Big tannins, big notes of earth, dark fruit, spice, and oak (if present), with long lengths and high alcohol. Intense and appealing in their masculine style. Robust and with complex character, these wines often need to 'breathe' first to help open them up. Accompanying notes of smoke, leather, baking spices, tar, and olives. Do not drink alone. These wines keep on going and going. Not for the faint of heart, be prepared.

2022 Château La Rose de Vitrac, **Merlot/Cabernet Sauvignon**, Bordeaux, France	5.25	15.75	33.5	67.

Non-Alcoholic Wine (Between 0.0% and Less Than 0.5% ALC/VOL)

Non-alcoholic wine is a wonderful alternative for those who want to enjoy the rich flavours and sophistication of wine without the effects of alcohol. With advancements in winemaking, many non-alcoholic wines capture depth, aroma, and complexity as traditional varietals. They offer the pleasure of drinking wine, but with added inclusivity and peace of mind.
