Dear Mr. Halberstadt,

On behalf of ProAction Cops & Kids' Board of Directors, I would like to thank you for supporting ProAction programs and helping police officers provide young people with the opportunity to participate in skill-building activities they otherwise could not afford. At ProAction, we believe that bringing cops and kids together in fun, positive programs builds a mutual understanding and respect that improves communication, increases collaboration and makes our communities a safer place to live.

In 2014 alone, over 8,000 young people living in Toronto, Hamilton and Durham Region participated in a ProAction program under the leadership of 800 police officers. For these youth, ProAction provided police mentors and positive peer relationships that changed their lives for the better. Please take a moment to review the enclosed Annual Report that shares inspiring stories of success from outstanding youth and officers who have participated in and benefited from ProAction programs.

ProAction Cops & Kids would not be able to fund these valuable programs without the support of our volunteers, donors and sponsors. Through their support, officers have built trusting relationships with young people and helped them to succeed academically, find employment, build a positive social network and make better life choices. Moving forward, ProAction will be reaching even more youth through our newest Niagara Region chapter established in May 2014. We look forward to working with all our police partners to offer young people more opportunities that lead to success.

Thank you again for supporting ProAction and the many officers who dedicate their time to build better relationships with kids and communities. For further information and details on how you can contribute to ProAction and/or become involved, please visit our website at www.copsandkids.ca or contact Jean Milligan at 416-222-7011 or email jean@copsandkids.ca.
