THE
ONE EIGHTY
51st FLOOR

Welcome Back to The One Eighty!

As we welcome you back we are prioritizing the health and safety of you, your guests and our staff. To ensure you have a safe dining experience, we have implemented a number of measures as advised by our health and government experts.

All staff are now required to wear masks (PPE). All guests are required to wear masks upon entering, leaving and when using the rest rooms. Guests may remove masks while seated at their table.

Before coming to work, every employee completes our COVID-19 pre-shift clearance to ensure they are fit to work.

Hand sanitizer is available at the entrance and throughout the restaurant. Dining room tables, chairs and payment terminals are sanitized after each use. Frequent touch points are sanitized at regular intervals.

We are asking guests to access the washroom facilities one group at a time

We are actively keeping track of contact information for all parties who dine with us as mandated by provincial health.

Welcome Back and thank-you for all your support!
