789 DON MILLS

A NEW VISION COMING TO DON MILLS AND EGLINTON

Located at Don Mills and Eglinton Avenue East, 789 Don Mills is a 22 storey office tower in the heart of North York. 789 Don Mills has office suites ranging from 1,032 SF up to 15,123 SF. From an accessibility perspective, 789 Don Mills offers the ultimate in connectivity. Situated steps from the Eglinton Crosstown LRT line, as well as TTC bus routes and immediate highway access to the DVP and the future Ontario Line, 789 Don Mills offers countless commuting options.

DISCOVER MENKES' NEW VISION FOR 789 DON MILLS

789 DON MILLS IS CONNECTED

Getting to work will never be easier or more convenient, with access to the Eglinton Crosstown LRT and the Don Valley Parkway.

AREA IS EXPLODING WITH DEVELOPMENT

With over 30 new developments in this already amenity rich area, 789 Don Mills is strategically situated for growth and access to talent.

FINISHED SUITES AVAILABLE

Menkes has recently completed various model suites under 5,000 sf with new paint and carpet throughout. Tenants are able to take advantage of existing finishings to reduce overall occupancy costs. We will make it easy to get back to business

MULTIPLE SIZE CONFIGURATIONS

789 Don Mills offers tenants flexibility and customization through multiple space and size configurations.

FULL EFFICIENT FLOOR PLATES

Efficient Floor Plates with Minimal Columns – With only 4 columns throughout each full floor vacancy, 789 Don Mills provides efficient spaces that can be tailored to your business needs.

A MENKES VISION

**A commitment to outstanding quality,
design and management.**

Founded in 1954, Menkes Developments Ltd. is a fully integrated real estate company focused on the development, construction, ownership, leasing and management of office, industrial, residential and retail properties throughout the Greater Toronto Area (GTA).

Menkes has developed over 7 million square feet of Class A office space, 13 million sf of industrial space, completed over 40,000 condominium units, and over 10,000 single-family homes across the GTA.

Menkes has distinguished itself as one of the most versatile, forward-thinking private real estate developers in Canada. The company takes underutilized areas of Toronto and makes a long-term commitment to them. As a multi-disciplinary developer, it creates complete and sustainable live-work-play communities.
